

## 2. Air Rifles

The intent of the Precision Air Rifle Rules are to provide a low cost entry level program and are designed specifically to encourage broad participation in this shooting sport. These are intended to insure equal fairness for all shooters.

The objective of the shooting competition is to improve members' shooting skills. Members may only enter one score per day. Participation in the postal league will qualify as a dedicated activity.

**Target:** Precision air rifle – Target size (A3)

**Rifle:** Any type of compressed air or CO2 rifle - Caliber: 4.5 mm (.177 caliber)

### Course of fire

A target consists of 3 rows of targets totalling 8 targets. 1 shot per target is allowed. A Total of 8 shots is allowed.

Time –including sighting shots is 20 minutes

## **Position**

All shooting will be done in a sitting position from either a chair or a stool with the gun being supported on a two point rests. A bipod and or attached rifle rest is permitted while shooting.

Shooting Ranges, Specific -25 Meters

**Ready Position** Rifle facing the target, bolt open and may only be loaded and closed when ready to fire.

**Sights** for competition include any type of iron sight, a red dot, or any magnification scope.

**Eye & Ear Protection** – The wearing of eye and ear protection is strongly advised at all times.

## **Classifications**

The classification score bands are as follows:

X Class 80 and highest total of x

A Class 70 – 79 highest total of x

B Class 60 – 69

C Class up 59

**Scoring:** Target is scored at the end of the shoot only. Targets are to be scored in the usual manner: i.e. a hit that touches a scoring ring shall be given the higher value if a gauge of the same caliber as that used to fire on the target, touches some part of the ring when the gauge is inserted in the bullet hole, or an overlay scoring slide of the same caliber as that used to fire on the target touches some part of the scoring ring when the slide is laid on the target.

The course of fire must be completed on an official shooting range, signed off by a Range Officer or any responsible person employed to manage the range or fellow NRAPA shooter. The completed activities scorecard must be e-mailed, faxed or delivered by hand to the NRAPA' Head Office. It is the shooters responsibility keep record of all targets.
