

A target consists of five rows of 3 targets. 5 shots per target is allowed. A Total of 15 shots excluding your 5 sighters is allowed. Only 5 nominated sighters are allowed and must be shot at the sighter target on the left/right hand side only. The sighter target is clearly marked.

Time –including sighting shots is 10 minutes

Position

All shooting will be done in a sitting position from either a chair or a stool with the gun being supported on a two point rests. A bipod and or attached rifle rest is permitted while shooting.

Shooting Ranges, Specific -50 Meters

Ready Position: Rifle facing the target, bolt or action open and may only be loaded and closed when ready to fire.

Sights for competition include any type of iron sight, a red dot, or any magnification scope.

Eye & Ear Protection – The wearing of eye and ear protection is required at all times.

Classifications

The classification score bands are as follows:

X Class 150 and highest total of x

A Class 140 – 149 highest total of x

B Class 130-139

C Class up 129

Scoring: Target is scored at the end of the shoot only. Targets are to be scored in the usual manner: i.e. a hit that touches a scoring ring shall be given the higher value if a gauge of the same caliber as that used to fire on the target, touches some part of the ring when the gauge is inserted in the bullet hole, or an overlay scoring slide of the same caliber as that used to fire on the target touches some part of the scoring ring when the slide is laid on the target.

The course of fire must be completed on an official shooting range, signed off by a Range Officer or any responsible person employed to manage the range or fellow NRAPA shooter. The completed activities scorecard must be e-mailed, faxed or delivered by hand to the NRAPA' Head Office. It is the shooters responsibility to keep record of all targets.
